ORDER REQUIRING SUPPLEMENTATION OF THE RECORD

This matter is before the Hearing Officer for consideration of the *Petition of Foothills Utilities, Inc for a Certificate of Convenience and Necessity* ("Petition") filed on April 19, 2004. Through its *Petition*, Foothills Utilities, Inc. ("Foothills" or the "Petitioner") seeks authorization to operate a wastewater treatment facility providing sewer services in Blount County, Tennessee.¹

The Hearing of this matter was held on Tuesday, October 12, 2004. Attorney J. Gilbert Parrish appeared on behalf of Foothills. Mr. Harold G. King, President of Foothills, was called as a witness and offered testimony on behalf of the Petitioner. During the course of his testimony, Mr. King identified Mr. Robert Young as the person who will be primarily responsible for operation of the facility.² Upon review of the record and further questioning of Mr. King the Hearing Officer determined that additional information regarding Mr. Young's qualifications and experience as well as the nature of his employment relationship with the Petitioner was necessary to complete the deliberation of this docket. The Hearing Officer also

determined that any permit received from the Tennessee Department of Environment and Conservation should be a made a part of the record in this docket.

IT IS THEREFORE ORDERED THAT:

1. The Petitioner shall file with the Authority documentation demonstrating the qualifications and experience of Mr. Robert Young regarding the operation of wastewater treatment facilities. The Petitioner shall also file documentation demonstrating the nature of Mr. Young's employment with Foothills Utilities, Inc.
2. The Petitioner shall file with the Authority a copy of any permit received by Foothills from the Tennessee Department of Environment and Conservation.
3. All filings required by this order shall be made with the Authority on or before Wednesday, November 10, 2004.
